Iowa State Chapter

August, 2014

Volume II, Issue II

From the "A"

Along with two other brothers in the fraternity, I got the privilege to go down to Arizona and represent the Iowa State Chapter at convention, the first one since we chartered. As a chapter we were given two awards of excellence and four awards of achievement, of the total eight core competencies that were given out. It was very exciting, and also gives us something to strive for at the next convention, receiving awards in all eight competencies. Looking into this upcoming semester I believe we have a lot to be excited about also. The continual planning of our first Jimmy V 5k planned for the spring, our first annual Jimmy V Classic golf tournament in September, and a strong showing at homecoming with our pairing. Going into this semester we have already had our strongest summer recruitment as a chapter as well, and with a strong fall recruitment to follow Delta Chi at Iowa State will be on a strong path to stick around a while. With continued alumni support and hard work by our current members in the fraternity, we will continue to make a strong impression to our national organization, and the Greek community here as well.

Forever in the bond,
Chris Brady "A"

A little about the tournament

This fall on September 20th, 9a.m. at Veenker Memorial Golf Course, the Iowa State chapter of Delta Chi will be hosting the inaugural Iowa State Jimmy V Golf Classic. This has been an objective of mine, since I and a few others started the founding father class several years ago! The event will be a great way for the chapter to raise money and awareness for cancer research. We all have had an experience with cancer, whether it was a friend, family member, or personal battle. That is why I am so proud to be spearheading this tournament for such a meaningful charity like the V Foundation.

This tournament will be a great way for current members in the chapter to connect with the alumni of previous classes. Our goal as a committee is to make this tournament an annual event for alumni to come and connect with current members, while raising money for a good cause! We want this to be a fun event that gets future players excited to come back and play. Whether you are a novice golfer, or the club champion all players are welcome in September to kick off the next great event in this chapter's history. I hope to personally see you all on September 20th, a.m. at Veenker Memorial Golf Course in Ames!!

In the Bond,
Mitchell Jon Sankey

From the “BB”

It doesn't seem possible, but Delta Chi entered its 3rd year back on campus at Iowa State. We kicked off the school year with our 2nd Annual Campout & Brotherhood Retreat at Ledges State Park. We set goals for the fall semester and school year. As you are all aware the Greek System at Iowa State is highly competitive and in order to survive we need to find housing and a place to call home, we can no longer operate from the sidewalk, we need a home! The House Corporation and the Chapter are actively working together to find suitable housing for fall '15.

I hope that you can make it back to Ames and campus this year. Join us on Saturday, September 20th as Delta Chi hosts its 1st (hopefully Annual) Golf Tournament to raise funds for the Jimmy V Foundation and/or Homecoming on October 11th.

We are still a young Chapter; we still have things to learn and programming to work on, but you can be proud of **YOUR** Chapter. We have a great group of young men that I am PROUD to call BROTHERS and once you meet them you will be also.

As always, questions, comments feel free to call or write.

New Delta Chi Website

Delta Chi is pleased to announce our new website at www.iastatedeltachi.com . We have created this website as a means of sharing information with brothers, potential new members, parents, and alumni. The website contains multiple features that will be useful to those visiting our website.

Potential new members will have access to everything Delta Chi. This includes our recruitment schedule, why to choose Delta Chi, and a list of all the current brothers in the fraternity.

Members and alumni will be able to see the latest news that the Iowa State Delta Chi has published as well as events we have planned. We also plan on starting an Alumni Spotlight on the website to allow for our alumni to see brothers that they possibly went to school with and see what they have been up to.

If you would like to participate in Alumni Spotlight or have any ideas/suggestions for the website please contact our webmaster. (below)

Decisions about housing

The ISU Delta Chi Housing Corporation is actively seeking to find the chapter communal housing for the fall of 2015. Our dream would be to find a vacant existing Greek house but with the record enrollment at Iowa State and several new fraternities and sororities arriving at Iowa State this is nearly impossible task. The plan is to locate an apartment building in campus town that has enough available apartments to house 20-30 members of the chapter. Hopefully in a few years the chapter will be able to occupy the entire complex and begin to establish a common area. The long term plan is to have an independent Delta Chi house back in the Iowa State Community.

LIZ LAMPE'S SURPRISE 88th BIRTHDAY CELEBRATION

Family members, friends and alumni of ISU Delta Chi Fraternity, Alpha Delta Pi and Alpha Omicron Pi Sororities gathered May 3, 2008 at the Iowa House B&B to celebrate Liz Lampe's 88th birthday.

Pictured below are Liz, Sandy (daughter and Chapter little sister) and several of the Delta Chi alumni in attendance.

Liz has such a unique and rich history with the ISU Delta Chi

Chapter and Iowa House. She fondly remembers being a Delta Chi guest on her sweet-sixteen birthday in 1936 and how special the fraternity members made her feel with all their attention. Her brother, Jim Roberts, was a Delta Chi member. Liz was the Delta Chi cook from 1950 to 1962 (always a lively conversation if Liz was in the kitchen) and Delta Chi housemother from 1964 to 1972. The Iowa House formerly was the Delta Chi Fraternity (1936-2007) and the Sigma-Sigma Fraternity (1926-1936). Liz's mother also was a Delta Chi cook.

Next, Liz spent 4 years as the Alpha Omicron Pi Sorority housemother and 13 years as the Alpha Delta Pi Sorority housemother. For many years, she sent out 400 personalized holiday greetings to fraternity and sorority alumni.

Elizabeth "Liz" Lampe Fouts was born May 3, 1920 in Sioux City, Iowa the daughter of Charles and Florence Matthews, died April 8, 2011 in Ames, Iowa. She is survived by her daughter Sandy (Peter, Delta Chi alumnus) Sandfort of Ames; grandchildren Melissa Sandfort, Rebecca Sandfort-Patel and Peter Sandfort III. She was preceded in death by her parents, brother Jim Roberts and husband Kenneth Fouts.

New Delta Chi Alums

As of this last spring semester we have three new Delta Chi alums Aaron Christ, John Lieser, and Drew Sikkema (shown below.) These three individuals will be sorely missed at Iowa State but will become the first new Delta Chi Alums of this recently re-initialized chapter. This also brings to light many other important points. First, many of Delta Chi's current members are largely going to be graduating in the next two years. In fact, Andrew Healey and Jeff Adkins will be graduating at the end of the fall semester. Secondly, it also creates a number of recent alums who are maybe a bit nearer home and can give advice to the current members. Lastly, it also shows the need to continue to recruit new members to Delta Chi to continue the tradition here at Iowa State University.

Homecoming 2014

This upcoming Homecoming, Delta Chi is paired with the lovely ladies of Delta Delta Delta and the handsome men of Phi Kappa Psi. It will be Delta Chi's 2nd Homecoming and we could not have asked for a better pairing. Yell Like Hell chairmen/women have been already hard at work preparing this year's skit. YLH is a huge tradition for Iowa State's Greek Community and this year we have huge potential to take home the gold! Something new with Homecoming this year is an event called "Lawn Decs" which is something adopted from Mizzou. This is very similar to the old Lawn Display but on a smaller level. We are looking forward to the commitment and determination of Delta Chi as well as our pairing to work together and bring home a trophy!
